China

Shenzhen, China-1979 and 2010

Transportation – Then and Now

Bike and Bullet Train –1986 and 2012

Chang ' an boulevard, Beijing in 1986.

China Railway High-speed Harmony bullet trains are seen at a high-speed train maintenance base in Wuhan Hubei province, China in December 25, 2012.

China – Coal Plants and Solar Panels

Smoke rises from chimneys and facilities of steel plants on a hazy day in Benxi, Liaoning province.

Solar panels in Lanzhou City, Gansu Province

Housing – 1980 and 2010

Great Wall – 220-206BCE and 2010

The Great Wall especially famous is the wall built 220–206 BCE by Qin Shi Huang. Little of that wall remains. Since then, the Great Wall has on and off been rebuilt, maintained, and enhanced.

Fendi holds fashion show on Great Wall, 2007.
